*Compliments of*

*Woods Hole*

*Oceanographic Institution*

Woods Hole Oceanographic Institution (WHOI) is a private, non-profit research facility dedicated to the study of marine science and to the education of marine scientists. It is the largest independent oceanographic institution in the world.

## *Parking*

Woods Hole parking is extremely limited and metered.

There is no parking on residential streets (permit required).

We strongly encourage summer visitors to park at the shopping malls and free municipal lots in Falmouth and ride the WHOOSH Trolley to Woods Hole. The trolley, operated by the Cape Cod Regional Transit Authority, charges minimal fees.

For more information on schedules and fees, contact WHOOSH Trolley at 800-352-7155 or <http://capecodtransit.org/fares.cfm>.
